What follows on pages 2 and 3 of this document is a sample SCA group financial policy that is available for use as a template and guide for group exchequers to use, if they wish, when creating and/or reviewing their local group financial policy. Whether you choose to use this two page template or not, it is important to note the following requirements per the SCA, Inc. financial policy:

- All assets (funds and non-cash assets) held in the name of the SCA must be managed by a Financial Committee.
- Financial Committees must have a written financial policy.
- Full details of the composition of a Financial Committee and Financial Policies are available in Section VII of the SCA, Inc. financial policy, located at:

<http://www.sca.org/docs/finpolicies/SocietyFinancialPolicy.pdf>

For ease of reference, the following details are taken from Sections VII and VIII of the SCA, Inc. financial policy (link above). Please refer to the SCA Inc. financial policy for full details.

VII. Financial Committees

- A. All assets (funds and non-cash assets) held in the name of the SCA must be managed by a Financial Committee.

VIII. Financial Policies

- A. Financial Committees must have a written financial policy. The financial policy must be approved by the Financial Committee before filing for approval from the superior financial officer. Kingdom Financial Policy may serve as the financial policy for branches within the Kingdom that do not have a Financial Committee specific to that branch.

Financial Policy includes at a minimum:

1. Composition of the Financial Committee;
2. Terms of Financial Committee members;
3. Timeframes and methods for meetings;
4. Timeframes and methods for action approval under normal circumstances and in emergencies;
5. Reporting requirements and schedule for reports to the branch administration;
6. Timeframes and methods for review and revision of the financial policy;
7. Methods for controlling cash receipts; and
8. Any policies regarding event admission charges or complimentary passes

The Kingdom of Northshield Financial Policy requires that all branches have items 1 through 4 listed above defined for that branch; items 5 through 8 are recommended, and must at a minimum state that such items are handled per Kingdom and Society Financial Policies, but branches are not required to fully define these specifically for the branch.

What follows is a sample Financial Policy for a fictitious SCA group and is meant as a learning tool/template for local groups to use when creating and/or reviewing their own financial policy. Please refer to Kingdom and SCA Corporate financial policies for additional information.
