

Marshal in Training Requirements

The following are the requirements for all Marshals in Training (MiT). MiT's must demonstrate proficient knowledge/skill in the listed area before they are to be signed off on by the training/Training marshal. To ensure that MiTs have ample time working with training marshals they are not to have more than three areas signed off per event. Additionally #9 is to be signed off by the prospective MiT's regional marshal. All signatures should be legible and the marshals legal name.
