 - -maybe go the check route for refunds
-
- As we move into post-6/1
 - *these board rules are NOT suggestions
 - *if the group can't follow the rules, they should not try to do an event anyway
Groups that hold events that do not follow the rules will be suspended from holding in person activities until these rules are lifted.

- What if everyone is vaccinated?
 - *still wear mask & social distance per the board at this time
